

Donor Plaque Added to Entryway

Contributed by Galion Alumni Association
Sunday, 15 June 2008

The donor plaque has been added to the new Entryway for the Galion City School Complex. With the plaque in place, the Entryway Project has reached completion. The Galion Alumni Association wishes to thank all of those who contributed to this project either financially or through their efforts to bring this project to such a complimentary conclusion. Thanks one and all! Click on image for larger view To see more pictures, click on the Read more link.
